Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

In the Office Action dated December 20, 2002, the Examiner required Applicants
to elect a single disclosed species for prosecution on the merits. The Examiner has identified
five species:

Species number 1: Fig. 3

Species number 2: Fig. 8

Species number 3: Fig. 10

Species number 4: Fig. 12

Species number 5: Fig. 14

Applicants provisionally elect, with traverse, species number 2 illustrated in Fig. 8 as part of the above-referenced application. Claims 1-5, 8-10, 13-16 and 19-20 read on the embodiment illustrated in Fig. 8.

It is Applicant's view that at least independent claims 1 and 13 are generic to the species identified by the Examiner. Each of the five species illustrates a different shape for the claimed formed members. However, neither claim 1 nor claim 13 is limited to a specific shape. Thus, claims 1 and 13 are believed to be generic to the five species.

Please cancel claims 6, 7, 11, 12, 17 and 18 without prejudice to reinstate these claims if a generic claim such as presently pending claim 1 or 13 is allowed.

Applicant does not believe that any fee is required in connection with the submission of this Amendment. However, should any fee be required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit.

Respectfully submitted,

Gary M. Butter
